

Discussion of Article: "On Pleasure, Pain and Happiness"

Post by "Cassius" of July 15, 2019 at 2:21 AM

It doesn't seem reasonable to us that some logical argument by Plato would be as worrisome an error as supernatural gods or suffering after death, but then, we are not living in Athens in 300 BC devoting our life to teaching philosophy, surrounded by a den of logicians who held that the meaning of life can be expressed in numbers and geometry and calculated limits.
