

Happy New Year 2026!

Post by "Kalosyni" of December 31, 2025 at 10:11 PM

HAPPY NEW YEAR 2026!

Happy New Year!

Some of us depending on where we live have already crossed into the new year, and others of us will soon.

This thread is for all to use to send out greetings for the new year!

Also, you are welcome to share any personal resolutions or ideas for how you want to make 2026 a great year...and also Epicurean thoughts too!

Happy New Year!
