

# **Our Journey Through The Universe ... Our Journey From Atoms to Consciousness. / New Video And Artwork**

**Post by “Raphael Raul” of January 1, 2026 at 4:50 PM**

**...In the last few years, I have been exploring consciousness research to understand the phenomenon that makes our philosophical and artistic creations possible.**

What do you think consciousness is?

**Below is a link to an interesting discussion between eminent scientists on this most obvious, but most mysterious phenomenon of life...consciousness.**

**To view an interesting short segment, view from... 30:46 to 34:16**
