

"The Summum Bonum Fallacy" - General Discussion of DeWitt's Article

Post by "Cassius" of January 22, 2026 at 9:10 PM

Yes we have two parallel sets of comments. I don't think Sedley is attaching blame. He seems to accept the Latin terminology as valid and a reasonable choice by Cicero.

The trouble is on our end because we read more onto the construction than a Roman would have.
