

Revisiting Issues of The Use of AI in Epicurean Philosophy

Post by “Don” of March 25, 2026 at 6:26 AM

Well done!!

Oddly enough, this came up on my Substack feed before I saw it here, and I started reading. Really enjoyed it. Kept thinking, I have to share this on the forum. Got to the end, and at that point realized it was Cassius's!

Great response to Pigliucci, although I didn't read nor do I now plan to read his article.

Engagingly written! Overall excellent job.
