

# Welcome M Dango

**Post by “m.dango” of April 11, 2026 at 3:33 PM**

I finished "Living for Pleasure" and it was a joy to read! I had a hold on a library app I placed before I had learned of Epicurean philosophy, for a book titled "The Art of Frugal Hedonism", which unexpectedly has a section summarizing Epicurus. I've also purchased a copy of The Hedonicon, and today I spoke to another Epicurean at a coffee meet!

I have a lot of reading to do! ☐☐
