

Commentary On The Principal Doctrines And Vatican Sayings

Post by “Cassius” of April 17, 2026 at 11:10 AM

I have prepared a short commentary on each of the [Principal Doctrines](#) and Vatican Sayings with special attention given to common misconceptions about each one.

The home of the basic list will be here while it is going through early phases of composition and revision:

[Commentary On The Doctrines of Epicurus](#)

A guide to how the Principal Doctrines and Vatican Sayings of Epicurus have been misread through the lens of Stoicism, Platonism, Supernatural Religion,...
epicurustoday.com

Obviously not everyone is going to agree with every word, but I think a relatively short document such as this will be useful to new readers. We can as we always do hash out precise details in separate forum threads, and general comments and suggestions in this thread are welcomed.
