

Discussion of Blog Post: Epicurean Responses To The Intelligent Design Argument

Post by “Eikadistes” of May 1, 2026 at 9:24 AM

For the record, that's a direct quote from Plátōn's [Tímaios](#).

I didn't quite appreciate it until I read into it a bit, but the arguments for Creationism (or however it's been dressed-up for a new audience) have gone unchanged for millennia.

Meanwhile, the fossil record has expanded every day for decades.
