

Buried by Vesuvius exhibit

Post by "Cassius" of July 30, 2019 at 12:27 AM

More great pictures! Thank you! We keep hearing about advanced technology, but never really hearing about any success with it. But part of the problem seems to me to be that we don't seem to have good access to the latest results from the scholars that are supposedly researching this. You would think that there would be at least one or more good websites dedicated to the latest findings with regular updates, but so far I am not able to find any.
