

# **Buried by Vesuvius exhibit**

**Post by "Godfrey" of July 30, 2019 at 1:44 AM**

Here's an article from 2018 which seems pretty comprehensive:

<https://www.smithsonianmag.com/history/buried...ique-180969358/>

According to this they've only been successful with small fragments so there's not much text to publish. And in addition to the technological issues, getting access to the scrolls is a major challenge.

Also the Getty is presenting a lecture in October on the subject; maybe the speakers mentioned are worth researching:
