

Welcome Stas!

Post by “Cassius” of May 3, 2026 at 12:18 PM

Stasi you might want to look at our reading list in the FAQ if you have not done so already. It will be great to have you here. One of my personal favorite articles is the one by Boris [Nikolsky](#), who is Russian, and it would be interesting to hear from a Russian speaker if [Nikolsky](#) has written anything else on Epicurus that we don't have access to due to language.
