

## PD 25 meaning? by Woolf (2004)

Post by "Don" of May 10, 2026 at 10:25 PM

[Quote from wbernys](#)

[Don](#) just to be clear. Do you and i agree on this inerpreation. I thought you disagreed but now it seems like you and have the same idea. Just wanna be sure.

I think I'm becoming confused (the "joys" of posting vs having a conversation).

Could you say one more time what is "this interpretation"?
