

Episode 334 - EATAQ 16 - Further Epicurean Analysis of the Problems With The Stoic "Kataleptic Impression"

Post by "Cassius" of May 17, 2026 at 7:23 AM

Thanks Don. By the time of DL he'd have been inundated by the Stoic v Skeptic debate and surely would have compared Stoic vs Epicurean views on prolepsis. "A sort of" presumably indicates parallels but not exactly the same (?)

I want to go looking for where DL describes Zeno's version o this in the Stoic section, but haven't got there yet.
