

# Suavity - General Discussion

**Post by "Cassius" of June 4, 2026 at 11:26 AM**

Also the word "unctuous" comes to mind.

I can think of numbers of people who will remain unnamed who have that kind of sickly-sweet demeanor.

On the other hand (despite it being my least favorite part of her book) Frances Wright spends her Chapter One describing Epicurus in terms that probably are close to "suave" but in an entirely positive way.
