I think I'm an atheist or at least agnostic anymore.

This is probably what you meant as written but just to be clear - this is not missing a "don't" is it? (The "anymore" rather than "nowadays" at the end is the main reason i ask that.)

And thanks to Bryan for immediately weighing in with some texts - not many or any others here could do that so well! Who needs AI when you have that kind of memory?
