

The Relationship of Happiness and Blessedness

Post by “TauPhi” of July 10, 2026 at 3:20 PM

[Pacatus](#) . Your post #12 is something quite peculiar. It almost never happens that someone writes so many sentences and every single one of them makes me say: 'Yes, exactly.'. I read the whole thing and started to laugh out loud at the end because I had said: 'Yes, exactly.' dozen of times. Well done, my telepathic twin brother from a different mother.
