I agree with you about exegesis itself. Nor do I disagree with your exegesis. Nor am I attempting any eisegesis on the texts.

I am simply saying that I personally cannot relate to the concept of blessedness (nor any kind of god-likeness) in my life. Even as I (I think) understand your explanation (exegesis), which I am not disputing. And I don't believe that I, *personally*, am losing out on anything there.

Thank you for your patience. 😊
