To think about our place, yes; but not to *worry* overmuch about it!

## Quote

With thinking we may be beside ourselves in a sane sense. By a conscious effort of the mind we can stand aloof from actions and their consequences; and all things, good and bad, go by us like a torrent. We are not wholly involved in Nature. I may be either the drift-wood in the stream, or Indra in the sky looking down on it.
