

# Living The Hobo Life?

**Post by “brett” of January 8, 2018 at 11:32 PM**

Without being overly snarky, I'm quite shocked at the level of ignorance of Dougall. I fear it's endemic of broad and shallow learning. It's exactly why I left academia. No offense but my peers were far more worried about being published than having something worth publishing. Philosophy in modern academia has no interest in 'healing'.
