Very nice, Charles! It'll be great to have your perspective here. I especially love your mention of Hume. It is worth remembering that the celebrated and notorious Scottish agnostic was born in Edinburgh just 14 years after the last British heretic was executed in the same city (Thomas Aikenhead; a lad of 20 and a student at the university, hanged for blasphemy). We owe them a great deal, and others like them.

I'm a northwest Iowa boy myself.
