

# Epicureanism in the Imperial Age

**Post by “michelepinto” of September 25, 2019 at 9:10 AM**

Tomorrow I will have the chance to attend a meeting organized by the "La Sapienza" University of Rome entitled "The Epicureism in the Imperial Age". There will be very important professors, such as Francesco Verde, certainly the most important Epicurean scholar in Italy. I asked permission to resume the speeches, so I will share them with you, at least with those who understand Italian.

I am very happy and I want to share this with you.
