

Are You Epicurean Or Hieronymian?

Post by “Cassius” of October 1, 2019 at 2:30 PM

Exactly Charles. This information is out there, but I think very few people have taken the time to digest it and think about its implications. And the last couple of decades the problem is accelerating -- all people are reading nowadays is popular wikipedia-like summaries, and the most recent commentaries, and the misinformation is accelerating like a snowball on a hill.
