Don't forget tomorrow at 11:00 AM Eastern is our next installment of the DeWitt "Epicurus and His Philosophy" book review discussion. Tomorrow is Chapter 13 - "The New Piety." Topics for discussion are here, and this outline will be expanded before tomorrow: [Discussion Plan For Chapter 13 "The True Piety" \(Norman DeWitt's "Epicurus And His Philosophy"\)](#)

We'll probably devote tomorrow to Chapter 13, then our next discussion will conclude the book with Chapter 14, and we'll then begin a new series discussing Lucretius.

Check back here tomorrow just before 11:00 AM for a Skype Link to the discussion location.
