

# **Technology Question - How Best To Create "Video" With Speech Matched To Scrolling Text**

**Post by "Cassius" of October 11, 2019 at 8:19 PM**

Very logical suggestion as to the text position!

The only thing I am not getting to work is the title. Is there perhaps an effective maximum length (and maybe I am trying something too long (? "The Vatican Sayings of Epicurus") But that is no big deal at all. I can tell it will be relatively easy to customize what you've produced so far.
