

How are Epicurean things in Italy, Michele?

Post by “Cassius” of October 18, 2019 at 4:35 AM

All of that is Good! I do not think I realized that you had read A few Days In Athens, or that you were translating it.

I would be very interested in your comments on the Francis Wright book.... Maybe your review of it, or something you plan for the intro to the Italian edition? 😊
