

I Am Firmly Convinced That The Future of Epicurean Philosophy Won't Be Found In The Ivory Tower

Post by "Cassius" of October 18, 2019 at 7:51 PM

For 2000 years these guys have been in control of "Academia." And did THEY lead us toward Epicurus, or did we find him largely ourselves, and with the assistance of one professor in a god-forsaken very COLD country? 😊

Who looks as if he is more at home on a farm than in an ivory tower?
