

Wilson (Catherine) - "How To Be An Epicurean"

Post by "Cassius" of October 31, 2019 at 8:51 AM

And now I see once again how divergent peoples' views of Epicurus can be. The article is negatively loaded from start to finish. I guess one has to ask whether this negative loading comes from the writer, or from Catherine Wilson. My preliminary estimate is that it comes from Catherine Wilson, with some slight embellishment by the article writer.
