

VS23 - Epicurus Reader Version

Post by "Cassius" of November 2, 2019 at 3:02 AM

not harm [us], but sharply rejecting the harmful ones.

23. Every friendship is worth choosing²² for its own sake, though it takes its origin from the benefits [it confers on us].

24. Dreams have neither a divine nature

Footnote 22 says:

22. This is an emendation for the mss' 'a virtue'; we regard the emendation as virtually certain, though the transmitted text has been defended.
