

## **PD05 - The Meaning of The Second of the Three Virtue Adverbs In PD5 - "Honorably?"**

**Post by "Hiram" of November 4, 2019 at 10:33 AM**

That Greek word "kalos" was also used by POLYSTRATUS in his "Irrational Contempt" when he argued for a moral realism.

He there treated this word (translated as noble) as the opposite of the word translated as "vile", and said these two are relational properties of nature, where he applied terms used in our physics for the ethics.
