

# **Wilson (Catherine) - "How To Be An Epicurean"**

**Post by "Charles" of November 5, 2019 at 12:01 PM**

I'll have to see if I can get a comp. copy at work. I keep seeing Wilson showing up on my article feed & on fringe youtube searches.

From my brief understanding, it seems this book is full of errors. But it's worth looking into, maybe I can pirate a mobi or epub/pdf of it.
