

Welcome Obscure!

Post by "Obscure" of November 21, 2019 at 10:59 PM

Hello. I received the email greeting with the requests to share "(1) how you found this forum, and (2) how much background reading you have done in Epicurus." Where do I do this? When I try to enter answers in my profile, I am told the message is too long, even when I reduce it way down. Thanks!
