

Creative Assistance Needed! "The Twelve Days of Class With Epicurus"

Post by "Cassius" of January 5, 2020 at 11:19 AM

I looked at some more of the youtube versions of this song. Even if each line needs to be truncated severely, it should be easy to fill in the gaps with a slide show / graphic illustrating each principle in much more full form. Then the song line can become the memory device for the full doctrine illustrated in the picture, kind of like with the Tetracharmakon
