

# **Discussion of the Society of Epicurus' 20 Tenets of 12/21/19**

**Post by “Elayne” of January 7, 2020 at 8:23 PM**

And just to be clear-- in no way would I want to make anything Epicurus didn't say a criterion. Just thinking that to follow in his footsteps, it would be nice to use current physics to show new people they definitely don't have to worry about anything supernatural. To show that not only hasn't any new observation undone his main conclusion about a material universe but that the case has been made even stronger.
