

Discussion of the Society of Epicurus' 20 Tenets of 12/21/19

Post by “Mike Anyayahan” of January 9, 2020 at 12:19 PM

[Cassius](#) There is no argument about it because this is not also how I think of "living unknown." I know that Epicurus puts friendship as chief pleasure, and this is diametrically opposed to solitude. Moreover, Epicurus' teachings on justice and social contract are obviously a sign of active participation in public affairs.

What I think of living invisibly when I say it is simply to live a life free from disturbance and annoyance.
