I'm curious if there is such a thing as conservative Epicureans who demand 100% fidelity to Epicurus, and I want to know whether or not they can consider me an Epicurean.

I can't speak for the adherents of Epicurus-only-fundamentalism.

As far as I know there is no such thing as an organization of "conservative Epicureans who demand 100% fidelity to Epicurus" or "adherents of Epicurus-only-fundamentalism."

However if any come to my attention, or I decide to start such an organization, you'll be among the first to know! 😊
