Found two books by obscure French Philosopher Jean-Marie Guyau (1854-1888) who was seen as an Epicurean.

"Mémoire sur la morale utilitaire depuis Epicure jusqu'à l'école anglaise" (Memoir on Utilitarian morals from Epicurus to the English School)

and

"La Morale d'Épicure et ses rapports avec les doctrines contemporaines" (The Morals of Epicurus and its relation to contemporary doctrines)
