

# Episode One - Venus / Pleasure As Guide of Life

Post by “Godfrey” of January 13, 2020 at 9:05 PM

Loved it! Great discussion, and the amount of text covered was just right in that I was able to review the material in several translations afterwards.

Lots of great insights. One comment I enjoyed was the idea that Lucretius had experience with people giving short shrift to the philosophy: a personal touch that I never would have picked up on.

Kudos for all the hard work 👍
