

How do we feel about Peter Saint-Andre?

Post by "Cassius" of January 14, 2020 at 3:47 PM

Yes I would like to hear Elli too. My own impression is generally very favorable, but I do think he probably leans in some "traditional" directions as to absence of pain that I personally don't agree with. But I haven't read his pages in detail lately and my favorable impression is much the stronger.
