

Glossary - What is the Epicurean Definition of "Pleasure?"

Post by "Mike Anyayahan" of January 14, 2020 at 10:25 PM

Cicero's comment presupposes that pleasure is irrational which is contrary to what Torquatus explains about the use of virtue for pleasure. I think it is just an argumentative device he made in order to insert the popular notion of pleasure as against that of Epicureans. Cicero loves teasing for an argument to come out as opposed to Socrates who loves interrogation.
