## [Quote from Cassius](#)

I see I have uncovered a major new problem: Mike and I are time zone incompatible, and he gets going right when I am about to fall asleep! I will see what I can do to fix that, but in the meantime I am afraid I am out for the night. Keep up the posting and I will catch up tomorrow! (And stay away from the Volcano!)

Thanks Cassius. Anyways, I can be at any time zone depending on my daily chores. Ok, I think you are getting sleepy. Good night. See you here again tomorrow. 😊
