

Glossary - What is the Epicurean Definition of "Pleasure?"

I would not have believed in Epicurus if I hadn't put him in my scrutiny before. If had believed the false teachings of others about Epicurus without prudence and justice, I would have still been thinking of Epicurus to be either a hermit or a happy-go-lucky guy. Therefore, I think it proper to get rid of Ad Hominem so as not to be unfairly influenced by inauthentic teachings.
