

Charles' Glossary and Translations of Obscure Epicurean Books

Post by “Charles” of January 19, 2020 at 5:57 PM

No, I've only found footnotes and citations. But my English copy arrives tomorrow, in addition to just about everything he wrote (all translated in English). I'd like to write them out on a google doc or pdf and share them here.

Edit: that also includes Discourse on Happiness, which he considered his masterpiece
