

Scheduling of Online Activities As Of January 2020

Post by “Lee” of January 21, 2020 at 8:45 PM

Hi Cassius. I am interested in all of the projects. I may lack the ability and knowledge of the other participants but am happy to take part and ask the occasional pertinent question.

My schedule is very flexible at the moment and so any day or time should work. I own the Munro translation of Lucretius and will start to reread On the Nature of Things.
