

VS11 - VS11 and Kinetic / Katastematic Pleasure

Post by "Cassius" of February 6, 2020 at 9:34 AM

Yes I agree and I am ok of course with that interpretation. What I think as to be avoided is the implication that minimal amounts of food and water constitutes ALL anyone ever needs for a complete life. Epicurus himself did not live that way, and it would be ridiculous to assert that that was what he meant. But that is pretty much exactly the direction that significant numbers of writers seem to want to take the point, and that has to be guarded against.
