

The Neglect of Metrodorus' Economics

Post by "Mike Anyayahan" of February 18, 2020 at 9:53 AM

I'm not familiar with the song/movie. But after listening to it from your link, it still sounds Taoist to me. Being one with nature means being as soft as water. This submission means literally relying on nature's bounty. Therefore, bare necessities are part of Yin virtue in Taoism.
