

Does Baloo Speak for Epicurus In the Song "Bare Necessities" from "The Jungle Book" Movie?

Post by "Cassius" of February 18, 2020 at 2:18 PM

[Quote from Godfrey](#)

Btw I've had this song stuck in my head all morning. Decidedly not necessary!

Probably this is one of the first movies that I went to as a child in the theatre. This song has been burned in my head for some 40+ years! it's this kind of catchy tune and phrasing that can have significant cultural impact, even if it is a cartoon bear eating ants and bananas. 😊
