

Tranquility v Pleasure

Post by “Mike Anyayahan” of February 25, 2020 at 1:57 AM

[Quote from Cassius](#)

No, clearly from the individual subjective perspective some pleasures ARE greater than others. What is incorrect is to imply that the gradation from lesser to greater are the same for everyone - it clearly is not.

I realize that my answers seem so flatly stated that I must come across like Moses handing down tablets from Mt. Sinai.

Ok Cassius. This one is clearer. Thanks.
