Christos:

Elli indicates that you (and possibly others of the Athenian Garden) are working on an updated set of English translations of some of the core Epicurean texts (presumably at least the [Principal Doctrines](#) and the Vatican List?)

Could you let us know what you are doing in that regard and how the project is coming? We desperately need a reliable set of core texts from people we can trust.

[I have set up a list of current translations that appear to be problems](#) in English, and I would really like to see your project come to fruition.

Thanks!
