Welcome here [Don](#) . 😊 Your name or nickname in greek means the one that is of noble birth.

From DL we read : Epicurus was an Athenian, and the son of Neocles and Chaerestrata, of the demos of Gargettus, and of the family of the Philaidae, as Metrodorus tells us in his treatise on Nobility of Birth.

Εὖ πράττειν (may you practice well) καὶ ἡδέως ζῆν (and living pleasantly).
