

# Tetrapharmakos: Alternate Translations and Content of PHerc. 1005 from Reviews

Post by “Don” of March 19, 2020 at 11:02 PM

[I think this link is as close as we'll get to the manuscript itself.](#) My understanding is that that is a transcription of the actual manuscript page itself with the Tetrapharmakos verses. As for the rest of the manuscript.

[This is the rest of PHerc. 1005.](#)

[And this is the specific page with the title/subscription:](#)

ΦΙΛΟΔΗΜΟΥ

ΠΡΟΣΤΟΥΣ

Philodemou (Of Philodemus)

Pros Toys (Against the...)

You can see the last word has been torn from the bottom so ANY conjecture on what the final word of the title is just that: conjecture.
